A Down to Earth Study

**Text:** Revelation 14:1-16:18

1. In what sense are the 144,000 firstfruits for God?
   (For explanation of "first fruits," see Leviticus 23:9-14).

2. Babylon is a symbolic reference about the great city. Nebuchadnezzar well illustrates the core problem of Babylon. For what was Nebuchadnezzar punished in Daniel 4:1-37?

   How has this same problem been manifest throughout Revelation?

3. Compare Revelation 15:3-4 to Exodus 15:1-18.

4. Why is God's wrath poetically placed in a bowl? (See Isaiah 51:17-20)

5. Many in Revelation stubbornly refuse to repent, even cursing God instead. What would cause a person to have the same attitude in our day?
