"Even when they made for themselves A calf of molten metal And said, 'This is your God Who brought you up from Egypt,' And committed great blasphemies, You, in Your great compassion, Did not forsake them in the wilderness; The pillar of cloud did not leave them by day, To guide them on their way, Nor the pillar of fire by night, to light for them the way in which they were to go."

fathers and on all Your people,
From the days of the kings of Assyria to this
day."

Nehemiah 9:32

One of the beautiful things about being one of God's children after Jesus' coming is that we no longer have any doubt about whether God understands our hardships anymore. Jesus went through some of the worst things a person can suffer. He understands our physical and emotional pain because He experienced it himself.

But God had Grace for His people and understanding well before that. We must be willing to give Him credit for what He has already done in our lives and in our Spiritual history in Scripture in order to fully embrace His power.

If we fail to acknowledge what He has already done, how can we believe our own prayers? We must trust that God is faithful to fulfill what we want as we ask it of Him. That way, we can truly say "Amen, I agree" when we finish our prayers.

Ethan Kirl

This Sunday's topic is
"Jesus the Savior"

"Because Jesus came into this world to "save His people from their sins," we can look at Jesus as the Savior. Only Jesus could save us from sin by the offering of His body and atoning blood to cleanse us."
