Love is Intercession

Last week we had a great start to our summer series with Mark Tonkery as our speaker. This week we have the pleasure of having Joe Spivy from the Grand Central Church of Christ to speak to us about how Love manifests itself in the form of Intercession. We see throughout the New Testament how Jesus Intercedes on our behalf to be an atonement for our sins. I know for a fact that Joe will do an excellent job elaborating on how Paul's letter to the Corinthians shows God's love for us that he gave Jesus to be an intercession on our behalf so that we can approach the father and be blameless in doing so. Hope that this series will be an encouragement to you and that you will seek to invite others to hear about how much the Father loves his children, and how Paul shows this throughout his letters.

Words of Thanks

Wanted to give a thank you to all that assisted with our work day that we had yesterday. Whether it was helping in and around the building, or helping to get things ready for our VBS that is starting today, the work of the church would not be possible if not for the assistance that you have provided to make these things become a reality!
