

## Busy Fall Ahead for 36<sup>th</sup> Street!

by Doug Kashorek

Without a big event ahead like our Centennial or our summer series, it may seem like life has slowed down at 36<sup>th</sup> Street. That isn't true. Rather, we have a lot of events in the planning stage and behind-the-scenes serving going on through Thanksgiving, especially with a time change coming for 11/3 and weather growing colder. Thank you to all who've been *transporting* those who don't like to drive after dark, *giving* so much to Disaster Relief for those affected by recent hurricanes, and *donating* winter goods for our pantry & closet.

Several will attend the **WVSOP Lectureships** this week on the book of Philippians, where I will get to present on Tuesday afternoon on "Paul's Son in the Gospel" from my scholarly paper I submitted last spring. We have a Bible class this Thursday at **Love & Care** to teach at 7 pm and a service at 2:30 pm to conduct out there next Sunday, 10/27, followed by a **Ladies Inspiration Day meeting** at 5 pm in the MPR. The monthly **Sing** at Love & Care will be the next day, 10/28, at 7 pm, and on Thursday, 10/31, from 6:00-7:30 pm, we'll have **Trunk or Treat** in our parking lot.

This evening's service will be a **Singing Request** night from songs you've been writing on the marker board, and the evening of 11/3 will be a **Biblical Question & Answer** night. At the beginning of October, we added the *1:00 pm time* to Wednesday afternoons that will run through the darker time of year through the end of March and began at that time an in-depth Sunday & Wednesday study of *The T's*, Paul's five epistles that start with that letter, that will run through mid-December.

Our intern continues in his *first semester* at the West Virginia School of Preaching during the week while teaching and/or preaching for us on Sundays. The **bridal shower** for Aidan & Michaela will be at 2:30 pm on 11/9 in preparation for a January 11, 2025 wedding. A special **Thanksgiving Program** will take place on 11/27 at only the 7:00 pm time.
