

“When a well packaged web of lies has been sold gradually to the masses over generations, the truth will seem utterly preposterous and the speaker a raving lunatic.”

“Time is in fact the hero of the plot... What we regard as the impossible, on the basis of human experience is meaningless here. Given so much time, the impossible becomes possible, the possible probable, and the probable virtually certain. One only has to wait: time itself performs the **miracles**. Time is the hero.”
