# BIBLE STUDIES FOR 2022

*"Trust in the LORD with all your heart..."*  
*-Proverbs 3:5-8*

ANNANDALE CHURCH OF CHRIST

In 2022, we'll read from the Old Testament and learn better how to trust in the LORD with all our hearts. We'll see how Israel failed to trust in the LORD and would not turn away from the evil of idolatry, leading to their division and captivity. We'll see how a small remnant of men and women acknowledged God and remained faithful, even while the nation faced peril and captivity. We'll see how God eventually provided healing for Israel, returning them to Jerusalem and preparing them for the coming of Jesus, the Messiah.
