A Down to Earth Study

Text: Revelation 17:1-19:6

The Prostitute and the Beast: Revelation 17:1-18

Write down as many descriptions of the prostitute that you find in the text.

Search the book of Revelation for "immorality". List as many references as you can find.
(If using the NKJV, also search for "fornication.")

Contrast the frequent mention of immorality with the description of the 144,000 as virgins (Revelation 14:3-5). Do you think it is talking about literal sexual immorality? Why or why not?

To whom or to what does the prostitute refer?

The Judgment of Babylon: Revelation 18:1-24

Compare the contents of this chapter to those of Jeremiah 51. What is similar?

Rejoicing in Heaven: Revelation 19:1-6

How does this passage emphasize the intensity of the celebration that takes place?
