all the land unto all the
inhabitants thereof.”

Judge Amy Coney Barrett

Our foremost right..

Declaration of Independence “We hold these truths to be self evident that all men are endowed by their creator with certain inalienable rights”

Religious liberty is the freedom for all people to live out their faith according to their deepest convictions.

Religious freedom is more than the freedom to worship. It means people shouldn't have to go against their core values and beliefs to conform to culture or government.

Removing authoritarian control from religion is a founding principle of American society, traditionally seen as a God-given right.

God-given rights

These ideals of religious liberty have their roots in the Bible

God respects our choices .. Genesis 13:8-12, Joshua 24:15

God Himself extends a freedom to people to choose or to reject Him.. Luke 18:18-25 Matt 13:18-41

God establishes human governments (home, government, church) to protect, preserve, uphold the good..

Because of sin, only God can redeem fallen man.. John 3:16

God is over all and gives man the right of conscience to obey God rather than men.. Acts 4:19-20; 5:28-30

Religious freedom and discrimination cases

“Little by little, they are stripping us of any thought we might have, or any difference of opinion. This is our Religious Freedom at stake.”

~Barronelle Stutzman
