Do you want to get the most out of each lesson? While it's tempting to just read the questions and then find the answers in scripture (I've done that myself more times than I'd care to admit), you're going to get much more out of your study if you read the assigned chapter, read the extra verses that are assigned, and THEN answer the questions. Remember- this is YOUR study, your opportunity to learn.

Have questions about anything covered (or having trouble reading my mind) or have a suggestion? My cell is (770) 329-5400 and my email stathamross@gmail.com. I'm ok taking phone calls 7 am until 9:30 pm.
