

# THE PANDEMIC

# Why is COVID-19 here?

- Questionable reasons:
  - It is China's fault
  - It is God's fault
- The only sure reason is our world is damaged goods—it is broken.
  - It is broken because the first man and woman listened to Satan over their Creator – Gen. 3:1-4
  - Eve was tempted and disobeyed, and Adam followed, bringing sin's curse on the world – Gen . 3:13, 16-19; Rom. 3:23; 6:23

# What is the Cure to the Curse?

- From the time of the first sin God spoke of the cure – Gen. 3:15
- God continually pleads with His creation to believe Him and accept His cure.
  - This requires that we refuse to listen to Satan's lies concerning the cure that tempt us daily – Matt. 6:19-21
  - Jesus is the one and only answer to our curse – Jn. 6:35, 47-51; 2 Cor. 4:14, 16-18
