

The background features a dark, almost black, space filled with intricate, glowing blue patterns. These patterns consist of numerous thin, wavy lines that flow and swirl across the frame, creating a sense of dynamic movement and depth. Interspersed among these lines are small, bright blue particles or dots, some of which appear to be part of the larger structures, while others are scattered independently. The overall effect is reminiscent of a complex data visualization, a nebula, or perhaps a representation of energy fields or quantum phenomena. The lighting is soft and ethereal, with the blue tones ranging from deep indigo to bright, almost white highlights where the lines and particles are most concentrated.
