

**Has God Died?**

# **Friedrich Nietzsche, 1882**

- **“Where has God gone? I mean to tell you! We have killed him, you and I! We are all his murderers!”**
- **“When one gives up the Christian faith, one pulls the right to Christian morality out from under one’s feet. This morality is by no means self-evident... Christianity is a system, a whole view of things thought out together. By breaking one main concept out of it, the faith in God, one breaks the whole.”**

**If you've given up on God  
and you have ceased  
worshipping Him,  
then GOD IS DEAD  
to you.**

**Despite decline of faith in God, and despite decline in church affiliation, there remains a great need for spiritual fulfillment and salvation.**

# Restoring Faith In God

- Look at how God has spoken and acted.
- How did life come to be?
- How did the environment to support life come to be?
- How can human life reproduce itself apart from males and females?
- Where did our intelligence come from?
- Where did our sense of right/wrong come from?
- What about Jesus Christ?
