## **"LOOKING TO THE FAITHFUL"** **2022 SPRING/SUMMER BIBLE READING**

The Downtown church Spring Theme is "Run The Race with Endurance." What better way to equip ourselves than to look to those who have already done so? This reading plan has been designed to put our focus on the words and work of great people of faith, as well as the Author of our Faith: Jesus.

The selected readings will take us through...

- The life of Abraham and David: two of the most crucial characters in the lineage of Jesus.
- Some of the final letters written by Paul, Peter & John. Also, the letters written by Paul while he was in prison.
- Luke & Matthew's account of the gospel.

Each week will include readings from both the Old and New Testaments. **Use these questions to guide your weekly reading:**

1. What do I learn from Jesus about how to think, act, and live?
2. What promises do I read from God?
3. What actions did these men take because of their faith? How can I do the same?
4. What can I do today with the verses I have read?
