

A Father's Legacy

Abraham's Legacy

- Abraham is remembered in Scripture as the “father of all the faithful” (Romans 4).
- His relationship with God was so powerful that it becomes the archetype for all of us.
- The promises God made to Abraham are the foundation of who we are, as Christians.

My Legacy

- How do I want to be remembered? What do I want to leave behind?
- I want to leave a legacy of righteousness. I want my daughter to walk with Jesus.
- How will that legacy be left behind unless I work to make it happen?

**God has given us the greatest
legacy of all: the right to be called
His sons.**
