

Psalm 69

I would like us to apply the skills we have gained in our study of Psalms 42-51 to Psalm 69. Here are guiding questions:

1. What is the structure of Psalm 69? Does it have a refrain?
2. How does Psalm 69 fit into the Psalms before and after it, as a symphony?
3. What is the tone of Psalm 69?
4. What images/figures are used in Psalm 69?
5. How does Psalm 69 point forward to Jesus?
6. How do we apply Psalm 69 to our prayers?
