

THE BOOK OF JOB

July 19, 2020

- 1) What could God's purposes have been for subjecting Job to all of his suffering?

- 2) Unlike Job, what does it mean that through Christ we are free of accusation? (Col. 1:22)

- 3) Look at the big picture of Job's life: striving, suffering, and blessing. Can Job's life be compared—or related to—anything else that we have been made aware of?

- 4) Job had to endure men's flawed wisdom. What is the only source of wisdom upon which we can rely? Read Col. 2:3-4, 8-10.

- 5) How did Christ disarm the powers and authorities? Col. 2:15

- 6) Will we suffer in this life? Acts 14:22; Rom. 8:22; Heb. 2:10; & 1 Pet. 4:1, 2

- 7) Where will we find comfort? Read 2 Cor. 1:1-5 & John 16:33.
