

TRIUNE GOD

Review of Our Study So Far

This year we are focusing on one of the greatest revealed mysteries known to humanity—a God who is three in one. We have discussed the following:

- The Father, the Son, and the Spirit are distinct persons who are one in being because of their eternal love.
- The Father eternally generated the Son, who is the exact image of the Father. Consider a flame and its light.
- The Spirit eternally proceeded from the Father and the Son, searching the depths of God while revealing these mysteries to humanity.

The Name(s) of God

In this next section of our study (which will take a couple of months), we are going to consider the name(s) of God that are used in the New Testament. Much can be learned about the intra-Trinitarian relations through this focus.

1. What makes God unique? This question is of the utmost importance to clarify before journeying into this part of the study. Considering **Isaiah 40** (especially verses 25-31), how would you answer this question?
 - a. The LORD
 - b. God

2. Deuteronomy 6:4-9 form the Shema, the most well-known text of the OT to any Israelite. What do each of the names of God mean?
 - a. The LORD
 - b. God

3. What echoes of the Shema do you hear in 1 Corinthians 8:4-6?
