

Doctor, Doctor

Luke, The Beloved
Physician

Who Was Luke?

- Only Mentioned By Name Three Times (Colossians 4:14; Philemon 24; 2 Timothy 4:11)
- A Gentile (Acts 1:19)
- A “Beloved Physician”
- A Brilliant Historian
- Paul’s Faithful Companion (Acts 16:10-40; 20:5-21:18; 27:1-28:14)

Learning From Luke

- Luke emphasized prayer
- Luke strengthened churches (Philippians 4:1, 3)
- Luke was a uniter (Romans 15:30-31)
- Luke was a loyal and courageous friend to the end (Matthew 25:34-40)

A hand is shown holding a red stethoscope against a white tiled wall. The stethoscope's chest piece is resting on the tiles, and the tubing is visible. The background is a grid of white tiles with dark grout. The overall image has a red border at the top and bottom.
