We would be honored to help if we can. May God bless you with a wonderful week.

Mark 10:45 "For even the Son of Man did not come to be served, but to serve, and to give His life a ransom for many."

## World Bible School

On Sunday evenings Tom has been teaching lessons on evangelism. This week we have a speaker with us who will share how the Lord has used his talents to spread His Word. Rodger Chaffin from World Bible School (WBS) will be speaking to us today and will share with us some information about World Bible School. World Bible School provides a way to reach the World for Christ, and it also provides a hands on way for many of us to use our talents to help in spreading God's Word.

**WORLD  
BIBLE  
SCHOOL**

You. Sharing Jesus.

### Someone Needs You

WBS is finding people everywhere who want to learn more about Jesus and the Bible. Individuals who enroll with WBS to become a student must be adopted by a Christian, a WBS Study Helper, to help them to continue with the lessons and spiritual growth.

As a WBS Study Helper, you'll exchange lessons with your students, review their multiple-choice lesson answers, and encourage and pray for them along the way. You can develop meaningful friendships with some of your WBS Students. You'll see students grow in faith and knowledge. Many will respond to the Gospel.

### Anyone Can Do This

WBS Study Helpers are everyday Christians, of all ages, from teens to families to seniors, who want to be proactive with their faith, to help others know more about the Good News of Jesus and the truth of the Bible. As a study helper you can help students who are enrolled in either the printed/mailed lessons or students enrolled in the interactive web-based program.

### Become a WBS Study Helper!

- Experience the joy of sharing the Good News
- Plant seeds for God to grow
- See others grow in knowledge and faith
- Make friends and disciples worldwide

### Web-based Interactive Lessons

WBS Study Helpers, young and old, are using WBS tools to share Jesus. You can get started almost immediately. You'll use web-based tools and mobile devices to encourage seekers who have enrolled as web-based students. The time required is flexible for your own schedule—you'll spend 5 to 10 minutes responding to

each student's completed lesson. You can use WBS' interactive lessons anytime; on your own or with a group from your church. WBS' Action! newspaper online will provide you with encouraging stories and teaching helps. Newly enrolled WBS Students are constantly becoming available on our online Student Board. They cannot continue until a web-based Study Helper "adopts" them and assigns more lessons.

### Printed Lessons Teach Millions

Most WBS Students rely on or prefer to study WBS' printed lessons by mail. After all, over 4 billion people in the world have no access to the Internet. WBS postal Study Helpers exchange printed lessons by mail with them.

You can get started with WBS postal teaching by contacting WBS and acquire a small inventory of lessons and a list of students to contact.

### Target Your Outreach

WBS courses are also available to help outreach in your own community. You can use WBS Connect to find and teach your own WBS Students in your community to see local fruit. Target your mission points around the world, too.
