

Rejoicing in Hope

*“Blessed be the God and Father of our Lord Jesus Christ,
who according to His great mercy has caused us to be born again
to a living hope through the resurrection of Jesus Christ from the
dead, to obtain an inheritance which is imperishable and
undefiled and will not fade away, reserved in heaven for you”*

Rejoicing in Hope!

We live in a world so desperate for hope! Everywhere, there is disappointment, division, and destruction. But, there is hope! The apostle Paul wrote to the Christians in Colosse about a great mystery that God had revealed, “*Christ in you, the hope of glory*” (Colossians 1:27). Through and in Jesus Christ, God offers a hope that is beyond compare. It is a sure hope, one surpassing anything else we can imagine or desire in this life. It will never fade or fail. It can be fully trusted upon, believed in, and waited for. And, it will change our lives if and when we diligently pursue and rejoice in it.

Are you feeling hopeless? Are you hungry for a real, lasting hope? Join us in this study!

The goals of this study on Hope are to:

- Understand this heavenly hope and how we access it;
- Abound in the joy, faith and love that this hope provokes; and
- Live a more hope-filled, Spirit-led life that brings glory to God.

Our formal class times are Sunday mornings 9:30 am to 10:10 am, and there will be follow up informal study opportunities during the week. All but Lesson 2 will cover two weeks as shown below. On Wednesday nights, we will be watching the video series “Following the Messiah” by Appian Media that covers the life of Jesus Christ, the One who paid the price for this incredible hope we can have.

This is a private group and you’ll need a Facebook account to join. We will do our best to integrate your answers into upcoming class sessions. After class, we encourage you to share how hope is changing your life with other members.

If you do not have a Facebook account or feel uncomfortable submitting your answers or questions to the Facebook Group, you can text, call or email answers John or Wendell using the information in #2.

5. Download the “Poll Anywhere” app. It is a free app for mobile devices that allows for live, on-the-spot questions and surveys to increase live class participation.

Lesson 1

If we have found it, perhaps we've become distracted or forgotten just how sweet, powerful, and important this hope truly is.
