Background Info: **What do we know about them?**
(strengths, weaknesses, opportunities, challenges, roles, etc.)

How did they interact with the words/will of God?

- in the everyday, before God’s angel ever appeared
- when God told them “the impossible” was going to happen
- when what God promised... happened

my story

seeking to grow in how I interact with God’s word

How should their story shape how I approach and respond to God’s word?

What does “the everyday” look like in my life? What place does God’s word have in my daily life?

Is there something God has promised that I struggle to swallow or believe or accept?

Do I celebrate and praise God for being faithful and for the mighty things He has done and will do?
