SOVEREIGN

ROMANS 9

LORD

SOVEREIGN  
LORD

- 1: Gentiles have sinned and are responsible.
- 2: The Jews have sinned and are even more responsible.
- 3: All have sinned and are justly worthy of death.
- 4: Salvation isn't in circumcision or any work on its own.
- 5: Adam introduced death through sin, Christ introduced life.
- 6: We have died with Christ and so we should now live with Him.
- 7: The Law didn't offer freedom from sin, Christ does.
- 8: Now live by the spirit and not by the flesh. If you do, nothing can separate you from Christ.
- 9: I choose who is saved and who is lost regardless of what you say or do?
