

**ELECTION,  
BUT NOT  
UNCONDITIONAL**

Matthew 22:14

# WHAT THEY BELIEVE

- God chose who He would save before the foundations of the earth without consideration of any choice of man.
- This means that He not only chose who He would save, but also who He would eternally condemn.
- They reconcile this by suggesting that God simply “allows” the sinner to stay lost without actively making Him sin.

# WHY IT DOESN'T WORK

- It means God is the reason people are in hell.
- It makes God a respecter of persons (Deut. 10:17; Rom. 2:11).
- Calling and election ARE conditional throughout scripture (Matt. 22:14; Rom. 1:1; 2 Thess. 2:14; Heb. 11:8; Acts 6:3-5; Gal. 1:6; 1 Pet. 2:9; Deut. 7:6; 9:23; Amos 3:2; Matt. 23:37-38).
- God repeatedly makes His case as to why the lost are lost (Rom. 10:8-20).
