LUKE 20 : 2 - 8

FUNDING THE WORK

- If the church is doing this work, then they had money to do this work.
- We only see one pattern for gathering funds (Acts 4:34-35; 1 Cor. 16:1-2; 2 Cor. 9:6-8).
- There is nothing in favor of a church starting a business and plenty in opposition (Jn. 2:16).
- A treasury is implied by the previous verses.
- We see some strong language on the distinction of personal funds vs. collective funds (Acts 5:1-4).
- Just as there is direct collection, there is direct distribution (2 Cor. 8-9).
