

Sowing the
Seed of the
Kingdom

1 Timothy 4:16

Speak Openly

- We need to think intentionally about being salt and light (Matt. 5:13-16).
- Our devotion to Christ should be clear enough to identify (Dan. 6:5).
- We need to be comfortable in speaking about our faith even in casual conversations (Jn. 4:7-10).
- Speak freely even when you know others will disagree (Gal. 2:12-14)
- But learn to speak with wisdom and subtlety (Matt. 13:10-13).

TAKE The Time

- Conversations take time to develop (Jn 4:1-26).
- Sometimes they don't develop (Acts 14:15-17).
- We can't know when a conversation will develop and when it will not (Matt. 13:3-8).
- People are worth investing in even when the return won't be obvious for a long time (Matt. 19:13-14).
- Consider the life of constant interruption that Jesus lived (Mk. 5:34).
