

I WILL SING TO THE
L O R D

Exodus 15:1

The Value of Singing

- It helps us to instill wisdom and understanding (Eph. 5:15, 17)
- It focusses our attention so that we make good usage of our time (Eph. 5:16).
- It is a wonderful expression of love and unity among the participants (Col. 3:14-15).
- Singing brings together words and actions (Eph. 4:25-5:12; 5:21-6:9).

How We Sing

- We are trying to communicate in an effective way (1 Cor. 14:15).
- We have song leaders in order to be more effective in our communication.
- Group singing requires submission to one another (Eph. 5:21).
- Knowing enough music to be clear is important (1 Cor. 14:7-8).
- Be more critical in applying these principles to yourself than to others (1 Cor. 8:1ff).
