

## Lesson 6

October 21, 2020 • Acts 6–7

1. Who were the Hellenists (or Grecians) in contrast with the Hebrews? Why might their widows have been “neglected in the daily distribution”?
2. Why did the apostles decline to handle this problem personally?
3. How did the apostles resolve this matter? In what ways did their solution demonstrate wisdom?
4. How did the multitude demonstrate wisdom in selecting the men to oversee this service? In particular, consider the ethnic origin of the names of the men they selected.
