

Lesson 21

December 13, 2020 • Acts 22:30–23:35

1. How did Paul address the Jewish council, and how did he describe the life he had lived up to that point?
2. **Thought Question** How is it possible that Paul did not know who the high priest was?
3. How was Paul able to disrupt the proceedings? Who ironically came to his defense in the dispute?
4. **Thought Question** In the last chapter, Paul clearly craved the opportunity to make his defense to the crowd. Why did he not take similar advantage of this situation?
