

## Lesson 23

December 20, 2020 • Acts 25

1. How did the Jews intend to kill Paul this time? How were their plans foiled?
2. What was Paul's continuing defense against the Jews' charges?
3. What motivated Festus to offer Paul the opportunity to go to Jerusalem for yet another trial?

7. What was Roman custom regarding putting a man to death? What was (*supposed to be*) Jewish law regarding the same?
8. **Thought Question** In other speeches, Paul has attempted to share as much of the gospel as possible. Do we have any indication as to how much of the gospel he was able to share in his defense before Festus?
9. What did Festus genuinely believe about Paul’s guilt or innocence?
10. What problem did Felix have, for which he asked Agrippa’s assistance?
