

SO, ALSO THE WIVES

Ephesians 5:24

WHO IS THE GREATEST

- The ideal role of the woman can be pursued to varying degrees (Tit. 2:3-5; 1 Tim. 2:15).
- It is possible to do good while not doing the ideal (Lk. 10:38-42; Jn. 12:1-3).
- Valid choices do not all bear equal weight (2 Cor. 11:23-28; 1 Tim. 5:3, 17).

FOLLOW THE LEADER

- Submission and obedience are commands to wives (Eph. 5:22-24; 1 Pet. 3:1-6).
- This is military terminology, but we are not an army.
- Men in authority ought to display proper respect for authority if they want to receive it.
- This is done with a particular attitude that appeals to a man (1 Pet. 3:1-6).

GOOD MANAGEMENT

- Shopping as a virtue and not therapy (Prov. 31:14, 21-22).
- She rules with the law of kindness (Prov. 31:26).
- She pays attention to what she is doing (Prov. 31:26; Tit. 2:4).
