

# GOD AND THE INDIVIDUAL

Genesis 1:26-27

# THE HONOR OF THE INDIVIDUAL

- We are each bearers of the image of God (Gen. 1:26-27).
- This is where our greatest value is found (Gal. 3:28).
- This is the most important argument against abortion (Gen. 5:3)
- If we place value anywhere else, chaos ensues.

# THE BOUNDARIES OF THE INDIVIDUAL

- Those who deny the creator will elevate the creation (Rom. 1:25).
- Being creation comes with inherent limitations (Gen. 1:27).
- God has placed moral limits in place (Gen. 2:16-17).
- Being true to “self” has become the highest ideal (Rom. 12:1-2).
- Self denial is actually the highest ideal (Phil. 2:5-10).
