

BUILDING MEN

Colossians 3:23-24

A THEOLOGY OF WORK

- We need to reclaim the goodness of work in our homes (Gen. 2:15; Ecc. 2:24; Eph. 4:28).
- Be thoughtful about creating opportunities for daily work (1 Thess. 4:11-12).
- Point the attention to God (Col. 3:23-24).
- Find examples for them to follow (Prov. 22:29).

ROOTED IDENTITY

- We need to teach our sons what it means to be sons of God (Gen. 5:1-3).
- We need to root them in the identity of our family (Eph. 6:1-4).
- We need to root them in the identity of our church (Mk. 10:30).
- We need to understand the cultural challenges (cf. Prov. 22:6).
