

PREPARING FOR

LEADERSHIP

CHANGING THE GUARD

- Imagine the vacuum left by the death of Moses (Num. 12:6-8).
- Notice the preparation for the transition (Num. 27:18-23; Deut. 1:38; 3:21-28; 31:3, 7, 14, 23; 34:9).
- Joshua has been being training for a long time (Num. 11:28; 14:38; Ex. 17:9-10; 24:13; 32:17).
- Joshua's leadership would be a continuation of the commitment he already had (Josh. 1:1-9).

LEAD FROM CONVICTION

- Strength and courage are the foundations of all good leadership (Josh. 1:6-9).
- Good leaders seek the good of those they lead (Josh. 1:6).
- Good leaders are rooted in unmovable truth (Josh. 1:8).

LEADERSHIP IN ACTION

- **Passive leadership is no leadership (Josh. 1:10-11).**
- **Leaders see and address potential problems (Josh. 1:12-15).**
- **Leaders want faithful accountability (Josh. 1:16-18).**
