

A wooden yoke, a traditional agricultural tool, is mounted on a wall of horizontal wooden planks. The yoke is made of dark, weathered wood and features two large, rounded wooden rings on either side, which would be attached to oxen or other draft animals. The central part of the yoke is a wide, flat wooden beam. The background is a rustic wooden wall with visible grain and knots.

His Yoke is Easy

Matt. 11:28-30

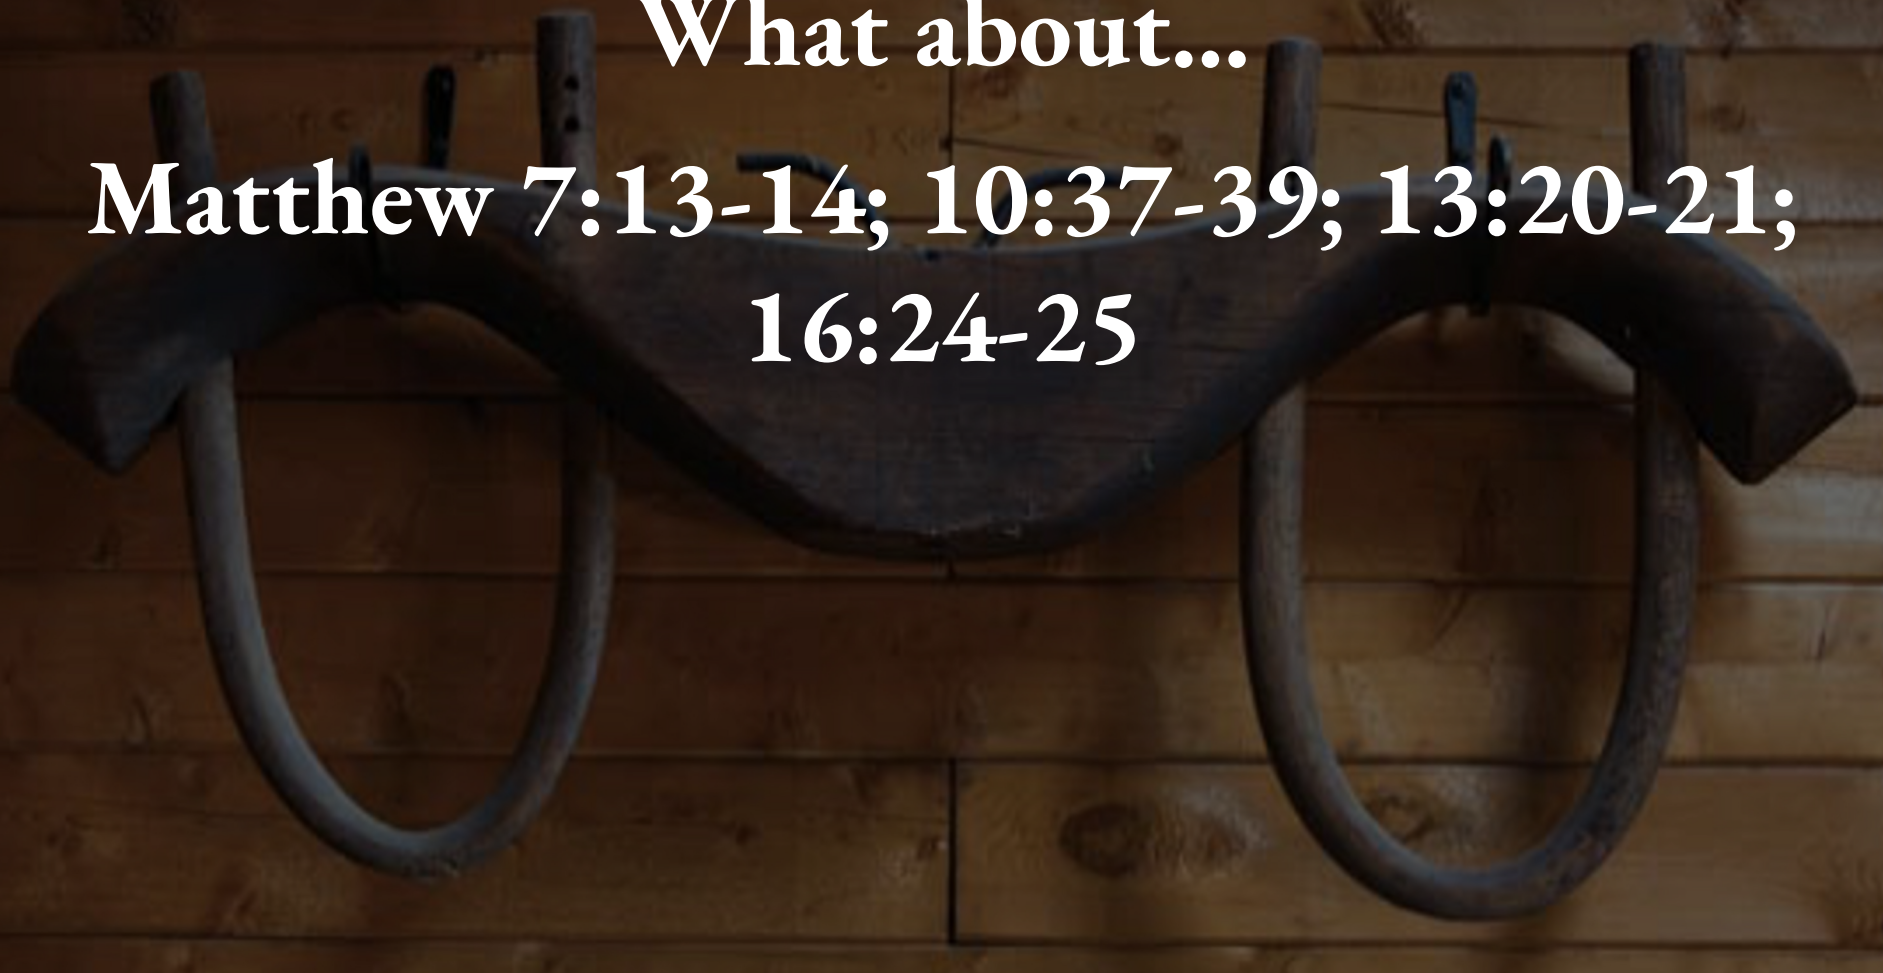

A wooden yoke, a traditional agricultural tool used for pulling a plow or cart, is mounted on a wall of horizontal wooden planks. The yoke is made of dark, weathered wood and features two large, rounded wooden rings on either side, which would be attached to the necks of oxen or horses. The background is a rustic wooden wall with visible grain and knots.

His Yoke is Easy?

Matt. 11:28-30

What about...

**Matthew 7:13-14; 10:37-39; 13:20-21;
16:24-25**

His Yoke *is* Easy in contrast to...

Pharisaical burdens (Mt. 12:1-5)

Shallow righteous (Mt. 5)

The burden of sin

The Relief of Forgiveness (I Jn. 2:1-2)

A Change in Perspective (Acts 5:30-32)

For our good (Deut. 6:24; I Jn. 5:3; Rom. 8)

He blesses us all along the way (Mt. 19:27-29)

The reward will be worth it all (Mt. 5:11-12)
