## Perry Hill Road Bulletin

### How Busy Are You?

"I am flat worn out! It's all I can do, trying to make a living, and my wife wants this and that, my children have to go here or there, they need this and that; they have sports and school activities that take up my time. The only "free time" I have seems to be spent on nursing my aches and pains. Just watching my grandchildren makes me tired; they are so full of energy. I'm just much too tired... I'm "spread much too thin", or maybe I'm just plain "burned out". So don't ask me to take on any more responsibilities. Besides, no one really cares or appreciates it anyway! I'm doing the best I can!!

Does this sound like you? It sounds like me! Our lives are jam-packed with jobs, activities, and distractions all the time. Nothing seems to help. The harder we work, it seems like the further we get behind.

Matt 11:28-30..."Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light."

Let me suggest to you these questions: "If I'm going to be "worn out", could I make it worthwhile? What kind of return can I get for the time I spend? And what will do me the most good?"

Make it worthwhile by spending more of it in the Lord's service! Think about it, when you lay your exhausted body down at the end of your day, you can say, "Lord, this day was for you!". Matt 6:20-21... But store up for yourselves treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also. *Continued on next page....*
