

Tips For Meeting On Zoom

Mute your microphone when necessary.

Zoom has a “Mute Microphone” option that cuts down on ambient feedback for the audience.

When there is a lot of back-and-forth discussion you will turn this off, but you should mute yourself when listening to a presenter.

Use Zoom’s chat function.

You can send a question or statement to everyone or privately to a participant

Think about your actions on camera.

Always remember that everyone can see you. Someone is watching as you take a big, wide-mouth yawn, stretch, or wander around the room. These exaggerated movements are distracting to the audience and can be disruptive to the speaker. Try to stay still and be attentive – or at least act attentive!

The Alabama Department of Public Health Hotline 1-888-293-8888 opened today, March 14. It allows anyone seeking information on how and where to be tested if you think you have symptoms.

Do call the elders also if you think you might have a health problem.

MARCH 22, 2020

Forty days, Forty nights in the Ark, Noah's family was confined in a boat. There were no windows, no balconies, no terraces, no internet, no phone, no TV, no YouTube, Facebook or Netflix. They only heard the rain. They spend their time praying, loving each other and caring for the animals. God the father took care of them as Noah was a man of faith and obeyed His word.

Remember even though there is out there an ocean of viruses and life seems like a stormy ride, Our God is watching over us!

Do not be Afraid! Be faithful to Him and wait patiently. The rain will stop one day. A rainbow will shine, and all be well again .

Due to the CONTINUING current situation regarding the Coronavirus and in an effort to be as cautious as possible regarding the safety of all our members, we are announcing today that **we are also suspending all services in the building for Sunday, March 22 and Wednesday, March 25. Please stay home and be safe. If you have any kind of need, please call one of the elders.**

Sharon Kochik's brother, Darwin Miles, passed away Friday evening at his home in Lawrenceburg Tennessee. The Kochik's will be leaving for Tennessee in the morning. Not sure what the arrangements are at this time. Thanks for your prayers.

Helen Stewart continues to have trouble coming out of sedation, so a neurologist is now scheduled to see her late on Monday or Tuesday. Please continue to pray for her, GT and the whole family.

Gracelyn Cunningham Surgery has been postponed due to Covid 19 Outbreak. Please keep her in our prayers

Several have asked about how to do contributions.

We are working on a way to do that online (who would have ever thought), but in the meantime, those who give by check could simply mail it to the PHR address, 800 Perry Hill Road, Montgomery, Al. 36109 or directly to Treasurer, Bob Trefethen at 431 Arrowleaf Court, Montgomery, Al. 36117.

In the beginning, this emergency looked short term and we just thought that any and all could give it all after the emergency. Now that it looks much longer, it becomes important that we each continue to contribute weekly or monthly as we have, if we are able, because bills still have to be paid and evangelists need to continue to be supported. We will let you know when we have any better solution to the problem.

Our prayers are with you all. Do let the deacons or elders know if you have needs.
