We are working on a way to do that online (who would have ever thought), but in the meantime, those who give by check could simply mail it to the PHR address, 800 Perry Hill Road, Montgomery, Al. 36109

In the beginning, this emergency looked short term and we just thought that any and all could give it all after the emergency. Now that it looks much longer, it becomes important that we each continue to contribute weekly or monthly as we have, if we are able, because bills still have to be paid and evangelists need to continue to be supported. We will let you know when we have any better solution to the problem.

The Alabama Department of Public Health Hotline 1-888-293-8888 opened today, March 14. It allows anyone seeking information on how and where to be tested if you think you have symptoms.

Do call the elders also if you think you might have a health problem.

They may begin using a “Waiting Room” which is simply a holding area until the host begins. Not much difference as far as you are concerned except that you do not immediately see all the attendees until the meeting starts.

Taylor Burch has COVID-19 in KY

3/25/2020 - Your prayers are requested for Taylor Burch in Bowling Green, KY, grandson of John & Betty Burch, who now appears to have COVID-19. He is a pilot with Jet Blue Airlines and operates out of JFK in New York, which is a huge center for the virus. His wife Katie and 3-yr old son, Sawyer, and infant, Hawkins, have been exposed. Taylor is self quarantining in one bedroom at home until test results come back, but there is little doubt that he has the virus.
