Week 05/10/-5/16/2020

\$4.065

We are working on a way to do that online (who would have ever thought), but in the meantime, those who give by check could simply mail it to Kerry Lashlee 9748 Bent Brook Dr Montgomery, AL 36117 In the beginning, this emergency looked short term and we just thought that any and all could give it all after the emergency. Now that it looks much longer, it becomes important that we each continue to contribute weekly or monthly as we have, if we are able, because bills still have to be paid and evangelists need to continue to be supported. We will let you know when we have any better solution to the problem.

The Alabama Department of Public Health Hotline 1-888-293-8888 opened today, March 14. It allows anyone seeking information on how and where to be tested if you think you have symptoms.

Do call the elders also if you think you might have a health problem.

“Face to Face”

We long for the time when we can "come together in one place" to worship (1 Cor. 11:20; 14:23). Let us all be praying, that if it is God's will, it will be sooner rather than later.

It has been documented that physical contact or touch improves our immune system and also helps reduce diseases associated with the heart and blood. There are many incredible benefits--- physical, mental, emotional, and spiritual, that come from a touch. A loving touch is a means of communication, bonding, and good health. That is why we have a natural inclination to shake one another's hand, pat another on the back, or give one another a big hug. Thus, it is understandable why New Testament Christians gave each other a "holy kiss" (Rom. 16:16; 2 Cor. 13:12; 1 Thes. 5:26; 1 Pet. 5:14). After the Apostle Paul had met with the elders of the Ephesian church and was ready to depart, we are told "they fell on Paul's neck and kissed him" (Acts 20:37).

As a result of COVID-19, this terrible pandemic, I have come to a greater appreciation of what the Apostle John said to "the elect lady and her children" and to his "beloved Gaius." Please observe: "Having many things to write to you, I did not wish to do so with paper and ink; but I hope to come to you and speak face to face, that our joy may be full" (2 Jn. 12). "I had many things to write to you with pen and ink; but I hope to see you shortly, and we shall speak face to face" (3 Jn. 13-14).

Phone calls, text messages, emails, Facebook, Zoom, etc., are all great means of communication, but they will never take the place, or be the same as "FACE TO FACE" or person to person contact. I close with the words of Paul to the Thessalonians--- "But we, brethren, having been taken away from you for a short time in presence, not in heart, endeavored more eagerly to see your face with great desire" (1 Thes. 2:17). R.J, Evans

Gracelynn Cunningham is finally scheduled Tuesday, May 19, for the surgery that competes her procedure started prior to the virus emergency. She will be at Baptist East at least two days and maybe more. Please pray that the surgery will go well. And of course, there are no visitors allowed, including Johnny. **Helen Stewart** is having a peg tube inserted into her abdomen

today. They are doing this because her nose is irritated from the tube feeding and anytime that she coughs. They also don't want her to aspirate on her Glucerna. The tube will be inserted in the left side through the abdomen wall into the stomach. They will begin nutrition 24 hours after they place the tube. Please pray that the procedure goes well and Helen's health continues to improve. **Bob Trefethen** Following consultation with my doctor today, the following has been decided regarding my health care. The diagnosis is lymphoma. I have elected to receive no treatment. The doctor has projected a 3-6-month life expectancy. I believe I am ready and prepared to depart this life and enter a far better place. I have been richly blessed in this life. I have lived a full life and long enough to see my great-grandchildren. I ask that prayers be offered for an easy transition for me, not for restoration of health. [Bob Trefethen] Please include **David Turner's brother Eric** in your prayers. He was diagnosed with liver cancer yesterday. He faces additional appointments and tests next week to determine the best course of action

BOOK OF JOB. Study on Tuesday and Thursday 9 A.M.

<https://us02web.zoom.us/j/2187206591>

Meeting ID: 218 720 6591 only for Job Bible class

Password: 431620 FOR BOTH Job and Sun./Weds.

Weds. May 20 2020

7:00 p.m. - Opening welcome remarks:

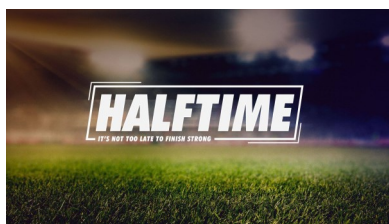

Ron Kochik
