Week 06/07-06/13

\$ 3,400

We are working on a way to do that online (who would have ever thought), but in the meantime, those who give by check could simply mail it to Kerry Lashlee 9748 Bent Brook Dr Montgomery, AL 36117 In the beginning, this emergency looked short term and we just thought that any and all could give it all after the emergency. Now that it looks much longer, it becomes important that we each continue to contribute weekly or monthly as we have, if we are able, because bills still have to be paid and evangelists need to continue to be supported. We will let you know when we have any better solution to the problem.

The Alabama Department of Public Health Hotline 1-888-293-8888 opened today, March 14. It allows anyone seeking information on how and where to be tested if you think you have symptoms. Do call the elders also if you think you might have a health problem.

Have You Changed?

Just a few of months ago we were...

...praying shoulder to shoulder with each other.

...laughing and joking with each other face-to-face.

...hugging and shaking hands.

...hearing everyone's voices in song.

...worshipping in one place.

...rushing from place to place with overloaded schedules.

...struggling to find time for priorities.

Our entire world has changed. But have we?

Have we used this time...

...to grow closer with the Lord?

Continued inside.....

Lashlee's daughter Lauren tested COVID-19 positive 6/25/2020 - The Lashlee's daughter, Lauren, tested COVID-19 positive in Birmingham after visiting Kerry & Lashlee and Kerry & Lashlee are now self-quarantining themselves until they can be tested. Lauren's children are still with the Lashley's. It is not yet known if Lauren's husband has been tested, but you can

imagine that there is a great deal of concern this week for the Lashlee family. **Vicky Crocker cancer** 6/23/2020 - many of us remember former member, Vicky Crocker. Vicki was diagnosed with endometrial cancer and will have a total hysterectomy this Wed at UAB. They did biopsies on lymph glands and lymph nodes look good. **Urgent Prayer Request for Mike Hunt** 06/23/2020 - I just spoke with my sister, Marsha. Mike is not doing well at all. She emailed Mike's cardiologist today to tell him what is going on. The doctor said he needs to be in the hospital and to take him to the ER. She had to drop him off at the door because of the coronavirus restrictions. Marsha is worried. She can't handle his medical situation at home anymore. Please pray fervently for Mike and Marsha. Mike is only 69 years old and has been a very healthy person for many years. Thank you, Kaye McDonald **-Patricia Lange update** 6/22/2020 - Brothers and sisters, sorry for the delay in updating about my mom, Patricia Lange. Last week, my mom had a good and productive appointment with an oncologist at MD Anderson, as well as various tests. This week, she is to meet again with her oncologist and then with an anesthesiologist. Next week, she is scheduled for 2 more tests, followed by surgery on Thursday, July 2nd. She wishes you to know that she is SO thankful for the prayers offered on her behalf and is very encouraged by the many cards that she has received. I am very appreciative of your expressions of love and concern across the miles! Sending love and thanks to all of you, Carrie Puckett **Rebecca Teague's sister Shirley fell** 6/22/2020 - Rebecca Teague's sister, Shirley, had a serious fall and broke her leg in two places. **Johnnie Mae White update** 6/21/2020 - Johnnie Mae White continues to have anemia and reduced kidney function. Doctors are possibly deciding that dialysis will be required and of course she is very concerned about it.

Continued

- ...to pray more?
- ...to develop good Bible study habits?
- ...to reach out to others?
- ...to spend quality time with our family?
- ...to remove bad/sinful habits?
- ...to serve those in need?
- ...to self-discipline?
- ...to rejuvenate ourselves?
- ...to treasure the worship assembly?

By the time we meet again for collective worship, more three months will have passed. The past few weeks have been challenging to say the least. They have also provided an opportunity to come out of this better - a chance to slow down, and to, above all, the chance to tap into God's power. We have been provided every opportunity to become better. But have we? copied

Weds. Bible Study, July 1 2020
