

POWERFUL

PRAYER

LUKE 11:1-13

PERSONAL PRAYER

- We must approach God as a child approaches a loving father
- If our relationship suffers our prayers will suffer and vice versa
- The intimacy of prayer should not negate our respect for God

PRAYER

DEPENDENT PRAYER

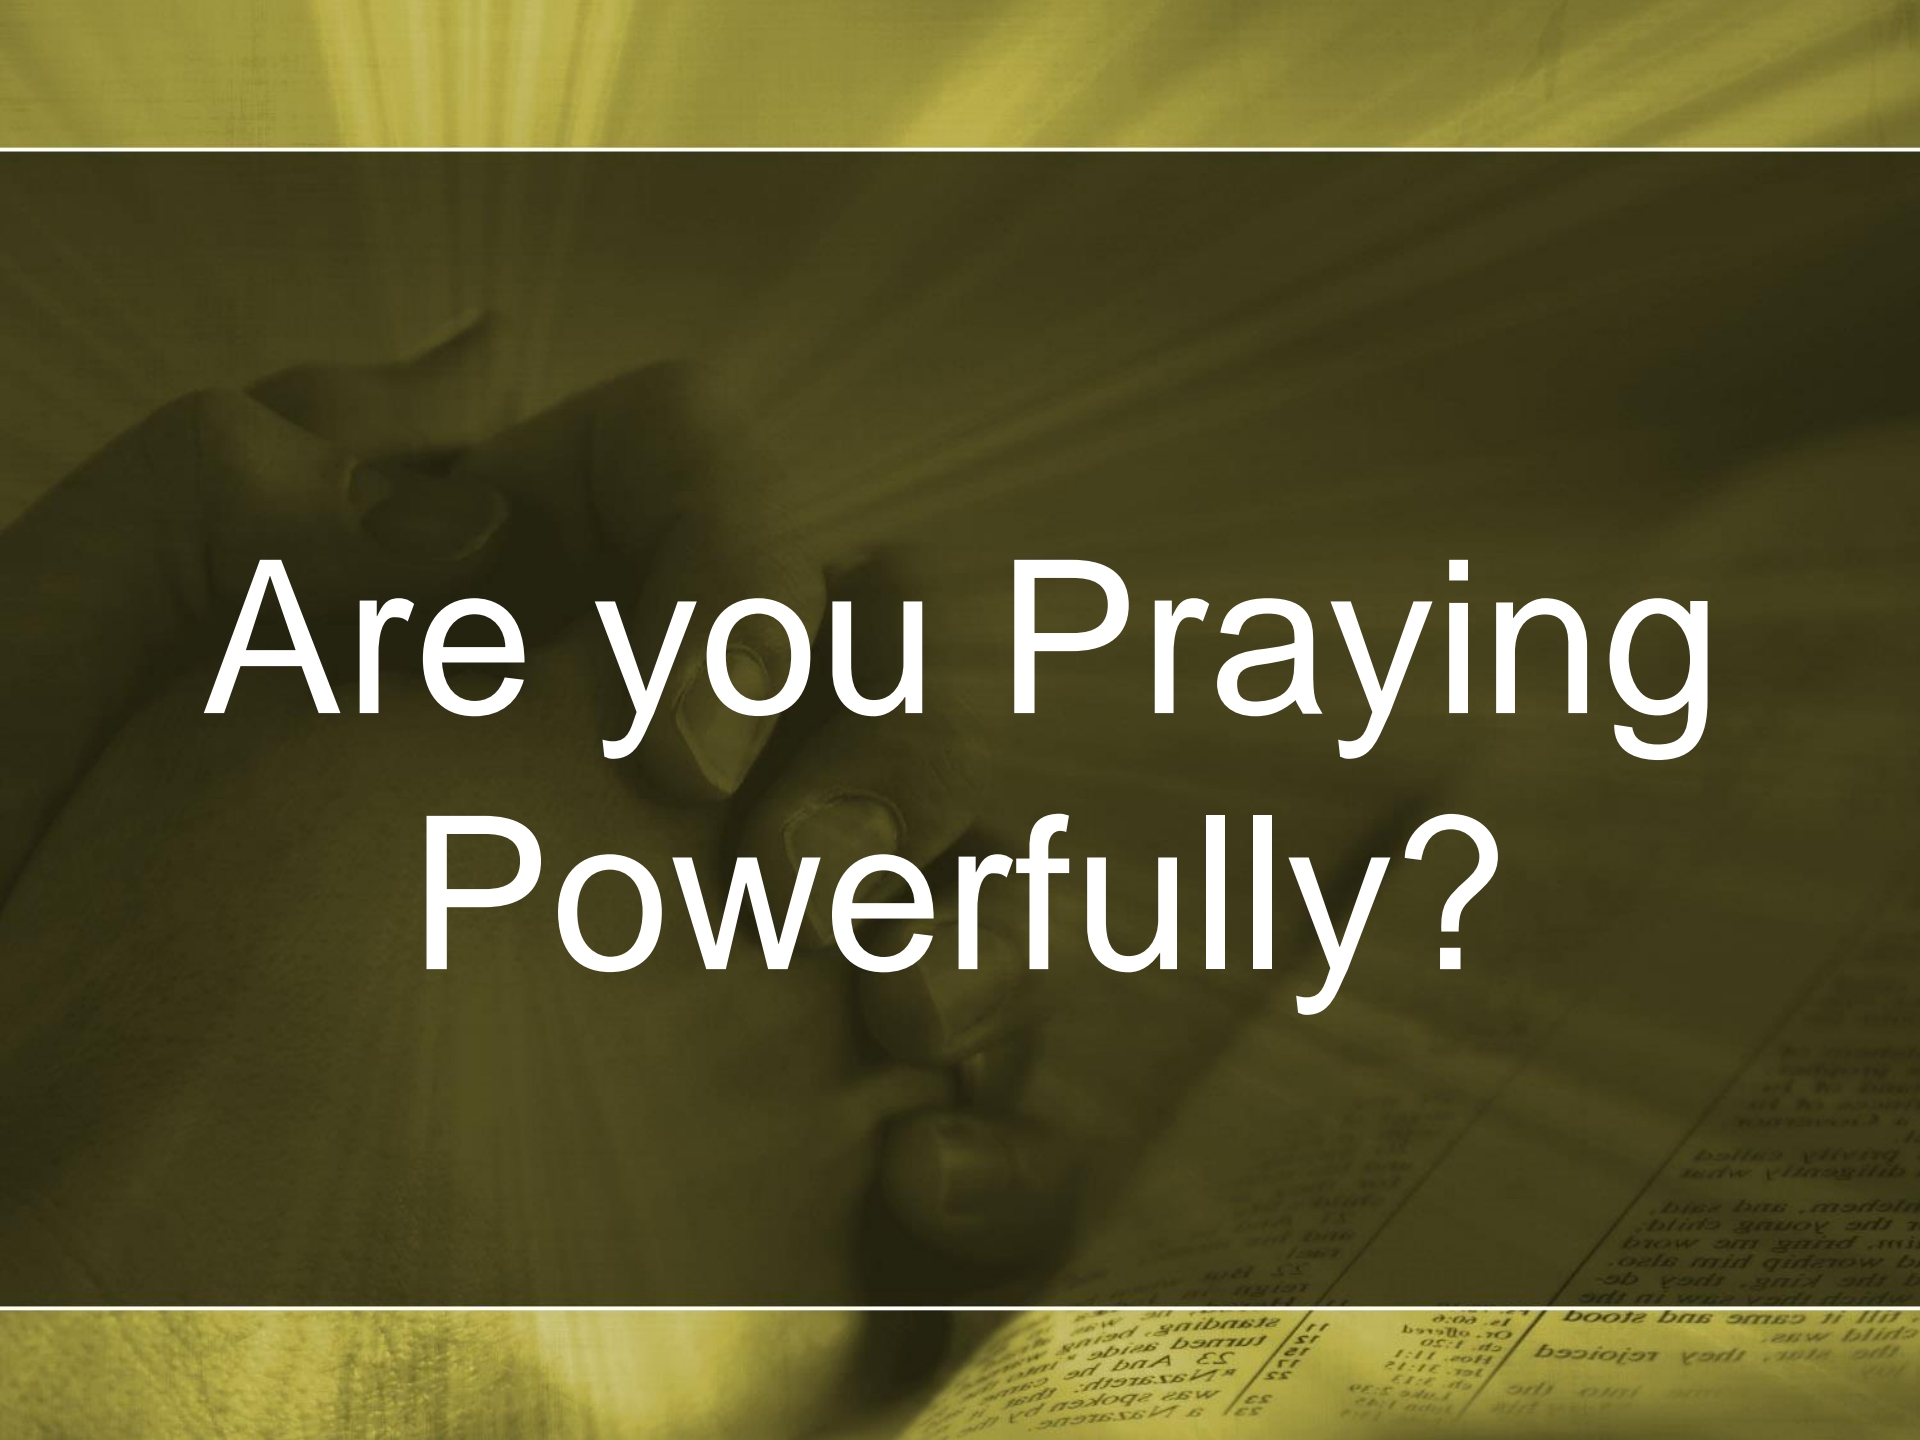

- Prayer is not just an insurance policy for when things go bad
- I must pray for the “little” things as well as the big things
- I must realize that all things good come from God

Powerful
PRAYER

PERSISTENT PRAYER

- We must pray unashamedly and unrelentingly
- When we pray in this way we know that God will answer
- God will give us what we need
