

Evangelism Class #16 - Handling Objections part 1

Objections to the Gospel Message:

1. Can't God just let us off the hook for our sin?
2. How is it just to punish someone else for our sins?
3. Adam and Eve may have sinned, but I haven't.
4. But I'm a good person.
5. What if my good deeds outweigh my bad, can God let me into Heaven then?
6. How do we even know Jesus existed or was crucified?
7. Doesn't it seem narrow minded to say Jesus is the only way to Heaven?
8. Aren't all religions basically the same?
9. Isn't Jesus' message basically the same as other religious teachers throughout history?
10. How can you believe Jesus rose from the dead?
11. How could a loving God send people to Hell?
12. Didn't Christianity borrow from pagan myths like Horus, Osiris, and Mithras?

Objections to God:

13. Don't you think evolution makes more sense than creation?
14. Can't you believe in both creation and evolution?
15. How can you believe in a young earth when scientists using dating methods to date the earth at 4.5 billion years old?
16. If evolution isn't true, why do the majority of the most intelligent scientists believe it?
17. Isn't faith what you need when you have no evidence?
18. Who created God?
19. We don't need God to tell us how to be good.
20. I don't think it matters what we believe, as long as we're sincere.
21. Maybe sincerity isn't what matters, but helping others is what matters.
22. Isn't right and wrong determined by instinct?
23. Why would God create us in the first place?
24. Couldn't God have created us to never sin and only do good?
25. If God knew there was going to be so much trouble caused by sin, why bother creating us?
26. Why does God allow so much evil in the world?
27. Will we have free will in Heaven?
