At first glance, the quiz above seems simple enough. I mean we recognize immediately some of the couples – the parents of John the Baptist, the parents of Jesus, etc. – but then we discover some which are a bit more obscure. “Achsah”? Whose wife was she?! You will find another one or two that might give you a moment’s thought or even a serious question. So enjoy the quiz, be sure to complete the Scripture reference for each, which will take a little more time. But Bible study is always profitable. Just be sure you “Search the Scriptures” in order to obtain eternal life as well! That’s far more important than getting this puzzle right! ~ *Wayne Goff*
