Selected by Wayne Goff

- \* ...It takes about six weeks to get back to normal after you've had a baby. **Somebody doesn't know that once you're a mother, "NORMAL" is history!**
- \* ...You learn how to be a mother by instinct. **Somebody never took a 3-year-old shopping!**
- \* ...Being a mother is boring. **Somebody never rode in a car driven by a teenager with a driver's permit.**
- \* ...If you're a "good" mother your child will "turn out good." **Somebody thinks a child comes with directions and a guarantee.**
- \* ...The hardest part of being a mother is labor and deliver. **Somebody never watched her "baby" get on the bus for the first day of kindergarten or on a plane headed for military "boot camp."**
- \* ...You can't love the fifth child as much as you love the first one. **Somebody doesn't have five children.**
- \* ...Good mothers never raise their voices. **Somebody never came out the back door just in time to see her child throw a baseball through the neighbor's bedroom window.**
- \* ...Somebody said a mother can stop worrying after her child gets married. **Somebody doesn't know that marriage adds a new son-in-law or daughter-in-law to the heart strings.**
- \* ...Your mother knows you love her, so you don't need too tell her. **Somebody isn't a mother.**

**I guess it takes a mother's love to understand things others do not**
