

## The Cultural War: Fighting Back!

### Global Methodist Church

A new denomination is being formed, called the “Global Methodist Church,” as a result of 107 United Methodist Churches leaving that organization. The departure is over the LGBTQ issue and the acceptance and ordination of those who practice these things.

In a statement posted on Facebook, we read: “‘We are not leaving The United Methodist Church. The United Methodist Church has left us,’ Jay Therrell, president of the WCA-Florida, said in a written statement, citing a ‘decades-long rise of theological liberalism, the selective enforcement of our denominational laws, and a strong surge in the promotion of partisan politics.’” The new Global Methodist Church is affirming their religious position as “orthodox, evangelical” which means these new churches wish to return to their more conservative roots.

“Our churches long for the day of being able to unite with like-minded Christians who focus on sharing the Good News of Jesus and help people to be transformed by His salvation,” Therrell said in the WCA-Florida statement on Facebook. And if you aren’t aware of his statement, understand that the key word is “**transformed**” as opposed to being “conformed to this world.” That’s an amazing statement for these Methodists who are saying enough is enough!

There are still the issues of “disaffiliation” because each local Methodist church is legally bound to the United Methodist Church. But the churches who are leaving have already begun the legal process to “disaffiliate.” We applaud their **courage** and **faith** and exhort them to *keep on going back to the original roots of faith found in the New Testament.*

### Roe Vs. Wade?

Another exciting possibility is the Supreme Court of the United States overturning the Roe vs. Wade decision, which would remove the Federal Grant to permit women’s abortions. Each state would then have the freedom to pass the law or laws that prevent or support future abortions. God has always opposed the murdering of the unborn infants, as He recognizes personality and humanity prior to birth (see **Jeremiah 1:4-5** and **Psalms 139:13-14** – “*For You formed my inward parts; You covered me in my mother’s womb. I will praise You, for I am fearfully and wonderfully made; marvelous are Your works, and that my soul knows very well.*” The left-wing propaganda states that “The United States **abortion-rights movement** (also known as the **pro-choice movement**) is a sociopolitical movement in the United States supporting the view that a woman should have the legal right to an elective abortion, meaning the right to terminate her pregnancy.”

**Pro-choice** is a subtle term which tends to hide the two choices: (1) murder an unborn fetus; (2) keep the unborn fetus. Read **Jeremiah 32:35** and God’s condemnation of the abominable act of causing one’s children to “*pass through the fire*” in worship of the god Molech. If Roe vs. Wade is overturned, it will be a giant step in the right direction morally, spiritually, and positively.

### Teaching Sexual Orientation To 8-Year-Olds?

Parents in the Glendale Unified School District in California gave fiery speeches when they learned their third graders were being taught “sexual orientation” classes! The point is that this subject is not appropriate for the age group! One mother points out that this entire saga is an “Agenda” and nothing but “Propaganda.” The teacher in question taught LGBTQ topics to her third grade class three days per week! And when she was confronted she asked her principal to help her find ways to teach this agenda behind the parents’ backs. Just keep in mind **Hebrews 13:4** – “*Marriage is honorable among all, and the bed undefiled; but fornicators and adulterers God will judge.*” You can find the 4:00 minute video on YouTube and listen.
