THE BIBLE AND THE BIBLE ONLY, MAKES CHRISTIANS AND CHRISTIANS ONLY. THE CHURCH OF CHRIST IS COMPOSED OF CHRISTIANS WHO HAVE NOT JOINED A DENOMINATION.

Quarreling Is Not A Virtue

“But refuse foolish and ignorant speculations, knowing that they produce quarrels” (2 Tim 2:23).

“But avoid foolish controversies and genealogies and strife and disputes about the Law, for they are unprofitable and worthless” (Titus 3:9).

How we handle disagreement is as important as the disagreement itself. Sometimes it is best just to walk away. That doesn't mean you are conceding the point. It just means that there are times when you can see things devolving into foolish controversies and ignorant speculations and you know you are to avoid those.

It's better to listen to the Lord than to push a controversy so that you feel like you won the day. We all become losers when that happens.

“What is the source of quarrels and conflicts among you? Is not the source your pleasures that wage war in your members?” (Jas 4:1)

While disagreements are inevitable, and while there are matters we are not to compromise, the art of walking away at the right time should also be pursued. When you figure that out, let me know. – *Doy Moyer*

Remembering

The beauty of a memory
Is that it's always there.
Like a penny in your pocket,
You can take it anywhere.

And when your heart is heavy
And your eyes are filled with tears,
You can focus on a memory,
And travel through the years,

Your heart can visit happy times,
When laughter filled the air,
And the presence of your loved one,
Will lessen your despair.

So, as you travel on in life
Take comfort as you go,
In a lifetime of "sweet memories,"
Of one who loved you so!

***It's probably just as well that we can't come back and see
what they did with what we couldn't take with us.***

***Many people who plan to be saved from their sins at the
eleventh hour, die at 10:30.***

God requires efforts and not results.

The world has forgotten, in its preoccupation with Left and Right, that there is an Above and Below.

Every saint this side of heaven should be concerned with every sinner this side of hell.

A religion that does nothing, costs nothing, and sacrifices nothing, is worth nothing.

If we don't take the gospel to the lost, who will?
