Is It Later Than You Think?

Someone has prepared a very interesting timetable. It made a mathematical parallel of a life span within a 24 hour day.

If studied, it will cause you rather serious reflection. See what you have accomplished or left unaccomplished.

If you are 15 years old, it's 8:51 a.m.

- If you are 20, it's 11:08 a.m.**
- If you are 25, it's 12:25 p.m.**
- If you are 30, it's 1:25 p.m.**
- If you are 35, it's 2:59 p.m.**
- If you are 40, it's 4:16 p.m.**
- If you are 45, it's 5:43 p.m.**
- If you are 50, it's 6:50 p.m.**
- If you are 55, it's 8:08 p.m.**
- If you are 60, it's 10:11 p.m.**
- If you are 70, it's approaching midnight.**

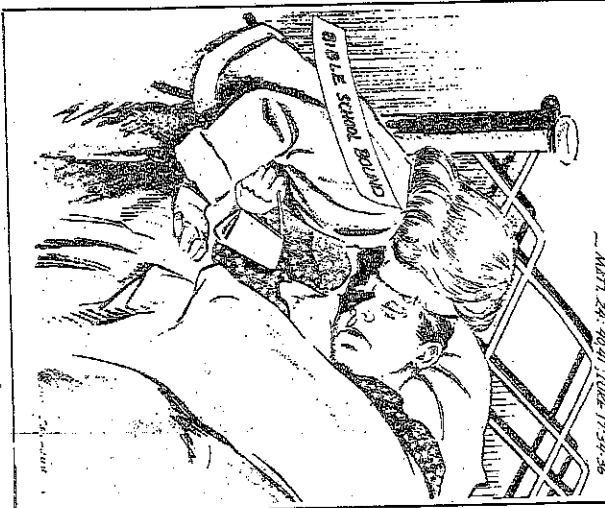

When the bell tolls for you at the midnight hour of death, on which side of God's judgment seat will you stand?

WHAT ARE YOU DOING WITH YOUR LIFE?

ONE DAY -- A GOODBYE FOREVER ?

*"If all the sleeping folk will wake up,
and all the lukewarm folk will fire up,
and all the dishonest folk will confess up,
and all the disgruntled folk will sweeten up,
and all the discouraged folk will cheer up,
and all the depressed folk will look up,
and all the estranged folk will makeup,
and all gossipers will shut up,
and all the true soldiers will stand up,
then we will all have a revival!"*

Too many have learned that heaven will be a place of rest and are getting all practiced up for it.

Regular church attendance is important: Remember the banana. Every time it leaves the bunch, it gets skinned.

When it seems hardest to pray, pray hardest.
