### AN UPDATE

---

Several weeks ago, in our congregational meeting, we discussed a number of evangelistic efforts we were going to begin pursuing on a congregational level. I want to offer you an update in this bulletin.

We spoke of an increased social media presence and have begun the process of bringing that about. We will be posting 3-5 videos a week over Facebook, Instagram, and TikTok. The first five of those videos has been submitted for editing and will be posting very soon. Each video will be between 1 and 2 minutes. This will be a continuing effort and you should be seeing new videos each week. Please keep this effort in mind and share these videos. The more local eyes that see them the better.

Beginning tomorrow I will be posting "A Psalm a Week" on our Facebook page. We will consider a single psalm Monday-Friday with a short paragraph or two to encourage thought. These will be fairly surface level so as to be accessible to those who are not Christians. A major key to an effective social media presence is consistent content. To that end, do not hesitate to share your ideas.

If you've not taken a look at the website lately, I would encourage you to do so. It has been updated with a more modern look and will serve as a sort of central hub for much of what we do moving forward.

We have decided to move ahead with the podcast. The necessary equipment is being purchased and we will begin very soon. Once we get the hang of it, our aim is to produce

a new episode once a week. Please keep that effort in mind and let your friends know about it once we get started.

Please take a moment to thank Frank, James, and Adam Reynolds for the work they’re doing behind the scenes on all these things. Full time jobs and family obligations take up a great deal of time and energy. Despite that, they are laboring to get these efforts up and running. While their work is often unseen and unsung, their fingerprints are on everything described in this update. Thank you very much, guys!

There is more coming in the near future. The material we will be distributing is “under construction” and there are others to thank for their efforts. We’ll do that soon when we present the finished product(s) to the congregation. As always, please pass along any suggestions.

May God help University Heights to be a shining light in this community!
