He Began To Build

“For which one of you, when he wants to build a tower, does not first sit down and calculate the cost to see if he has enough to complete it? Otherwise, when he has laid a foundation and is not able to finish, all who observe it begin to ridicule him, saying, ‘This man began to build and was not able to finish.’”

What about us?

He Began To Build

What really happens when we don't finish?

- *“We didn't really mean it.”*
- *“We didn't have a plan to do it.”*
- *“We didn't count the cost.”*

He Began To Build

“If anyone comes to Me, and does not hate his own father and mother and wife and children and brothers and sisters, yes, and even his own life, he cannot be my disciple.

Whoever does not carry his own cross and come after me cannot be My disciple.”
