3. You may use a secure iFrame page - [CLICK HERE](#). **The iFrame, the area that you provide your account information, is SECURE. The code was developed and hardened by VANCO, our payment processor, which we have embedded within the webpage.**

Vanco is one of the leaders in online giving and payment processing. Vanco integrates with the church's accounting software to make the recording of your contribution relatively seamless. If you have any questions, please contact Mark Pierce at mark.pierce@fulshearcoc.org.

Of course, you may always mail a check, made payable to "Fulshear Church of Christ", to P.O. Box 911, Katy, TX 77492-0911.

The first option explains how to pay by the GivePlus+ mobile app on your android or iOS phone. There is also a link to a PDF file that guides you through the process of installing and setting up your account.

Once your account is set up, you may use the same login information for your mobile app and through the secure iFrame page on our website. We have not yet tested the text message giving, but I expect the same user ID and password will be used for that option.

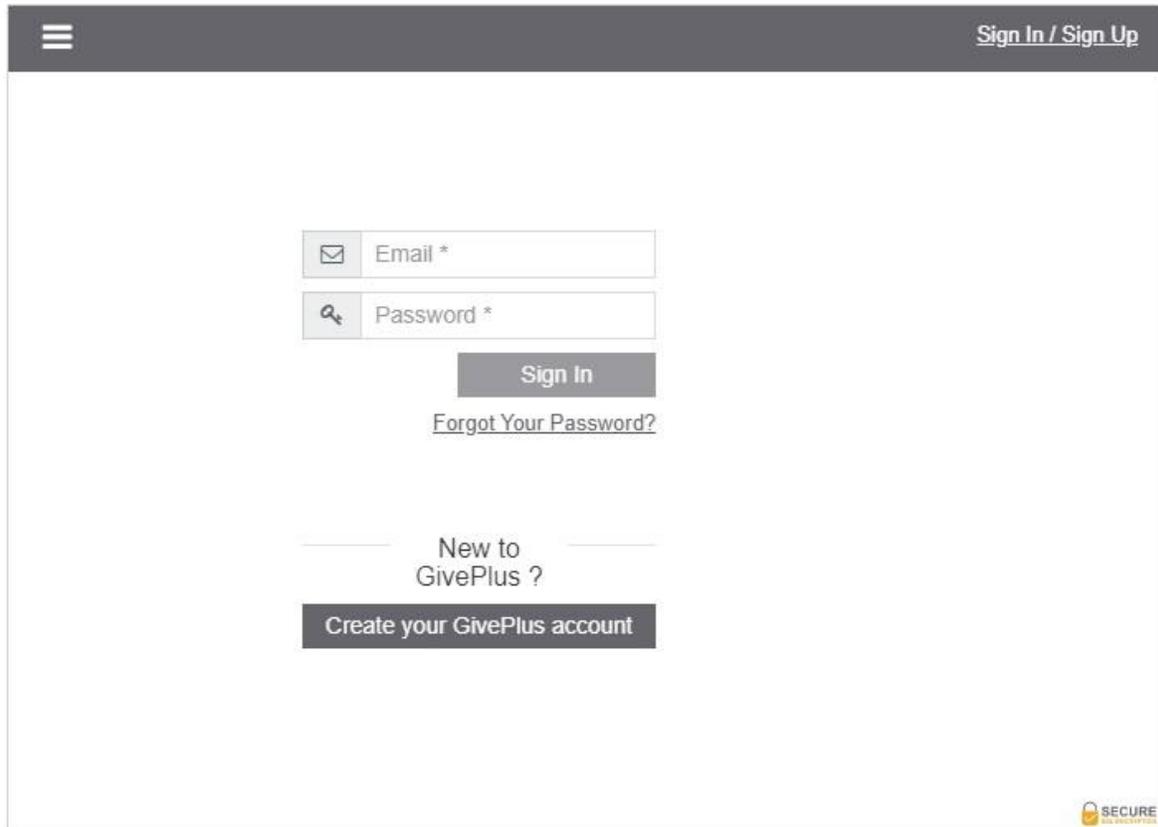

Texting will be the second option for online giving. The number to use to text your contribution is (833) 647-0066. Type the number in the To: section and the amount to want to give 50 for \$50.00 in the message line and hit send. You will receive a message back with a hyperlink. Select the link and follow the instructions. You will get a confirmation email once completed along with options to repeat the contribution or REFUND the money back to you if you make a mistake.

The third (3rd) option is to go to a secure page webpage on the church's website. This page is only available by clicking on the "Click Here" selection on option 3. We have hidden for now from any menu option. You may get to it directly by typing in <https://www.fulshearoc.org/contact/iframe-giving/>. This area within the page for GIVING is actually going directly to a Vanco/GivePlus+ page that is designed for secure online payments.

To sign up or sign into GivePlus+, go to the "Sign In / Sign Up" option at the top right of the screen and select it. The option is highlighted in YELLOW below.

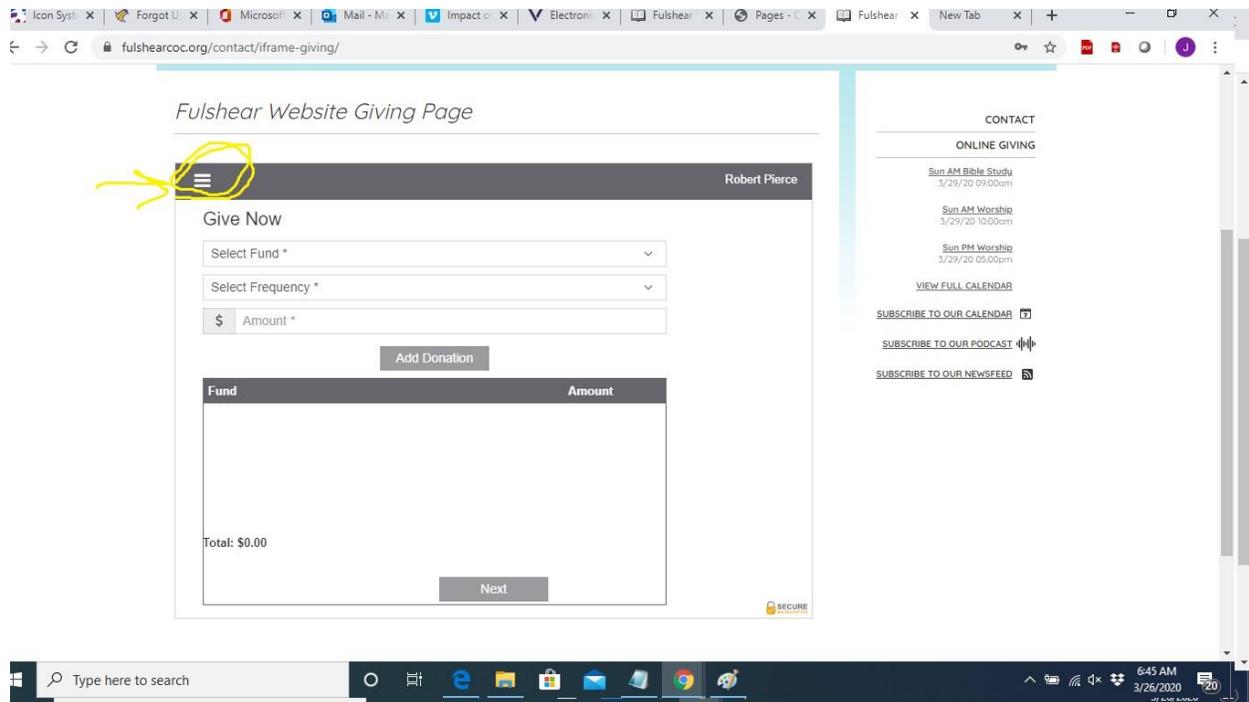

If you have an account, sign in. If you need an account, Select “Create your GivePlus account”.

The screenshot shows a web interface for signing in or creating an account. At the top right, there is a link for "Sign In / Sign Up". Below this, there are two input fields: "Email *" with an envelope icon and "Password *" with a magnifying glass icon. A "Sign In" button is positioned below the password field, and a link for "Forgot Your Password?" is located below the "Sign In" button. A horizontal line separates the sign-in section from the account creation section. Below the line, the text "New to GivePlus ?" is displayed, followed by a "Create your GivePlus account" button. In the bottom right corner, there is a "SECURE" logo with a padlock icon.

Sign in with your email and password. (If you are creating an account, following the instructions provided on the GivePlus screens).

Once you sign in, you will be directed to the Give Now screen.

If you choose to give now:

1. Select the fund to give to:
 - a. Select “General Fund” for your regular contributions.
 - b. Select “Special Contribution Fund” for our quarterly special contributions and contributions to the Building Fund.
 - c. At some point in the future, we may make other options available, such as Benevolence.
2. Choose the Frequency – One time if you only want to give once. You may set up recurring items by selecting Weekly, Monthly, etc.
3. Select the date you want to give.
4. Enter the amount you want to give in whole dollars only. For example, \$100.00 would be entered as 100. If you put 100.00, and press the “Add Donation” button you will have put \$10,000.00 in as a contribution. Of course if you make a mistake, you can delete it.

Select your Payment Method. If you want to add a new account or credit card, select the “Add New” button.

The screenshot shows a web interface for selecting a payment method. At the top, there is a dark grey header bar with a hamburger menu icon on the left and the name "Robert Pierce" on the right. Below the header, the main content area is titled "Payment Methods". Underneath this title, the text "Savings and checking accounts" is displayed. Below that, there is a radio button followed by a dark grey button containing a bank icon and the text "Checking Account ****3050". At the bottom of the main content area, there are two dark grey buttons: "Add New" and "Next". In the bottom right corner of the page, there is a logo for "SECURE" with a padlock icon and the text "SECURE" below it.

Once you select your Payment Method, select “Next”.

Your Donation Summary Screen Appears. If correct, press the “Donate” button.

SECURE

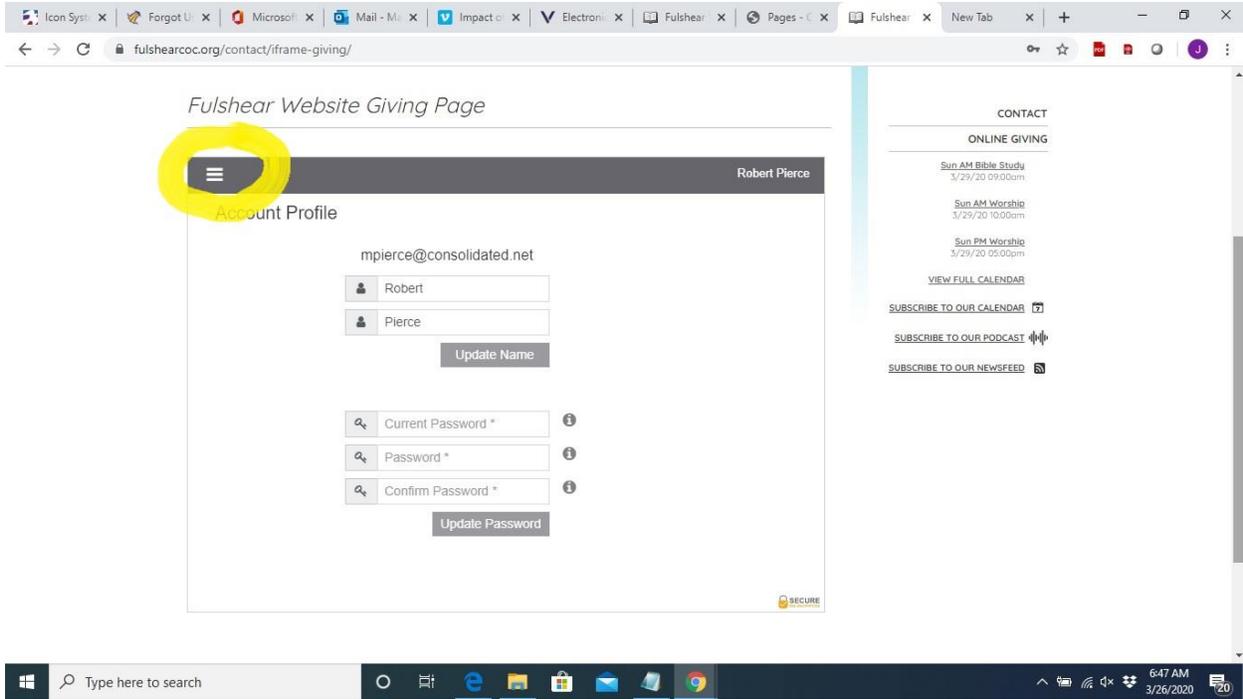

If you make a mistake, use the “Back” button or just Close your browser and start over BEFORE hitting the Donate Now.

With the mobile app and the webpage option, payment made via your checking account may take 24 to 48 hours to clear your account.

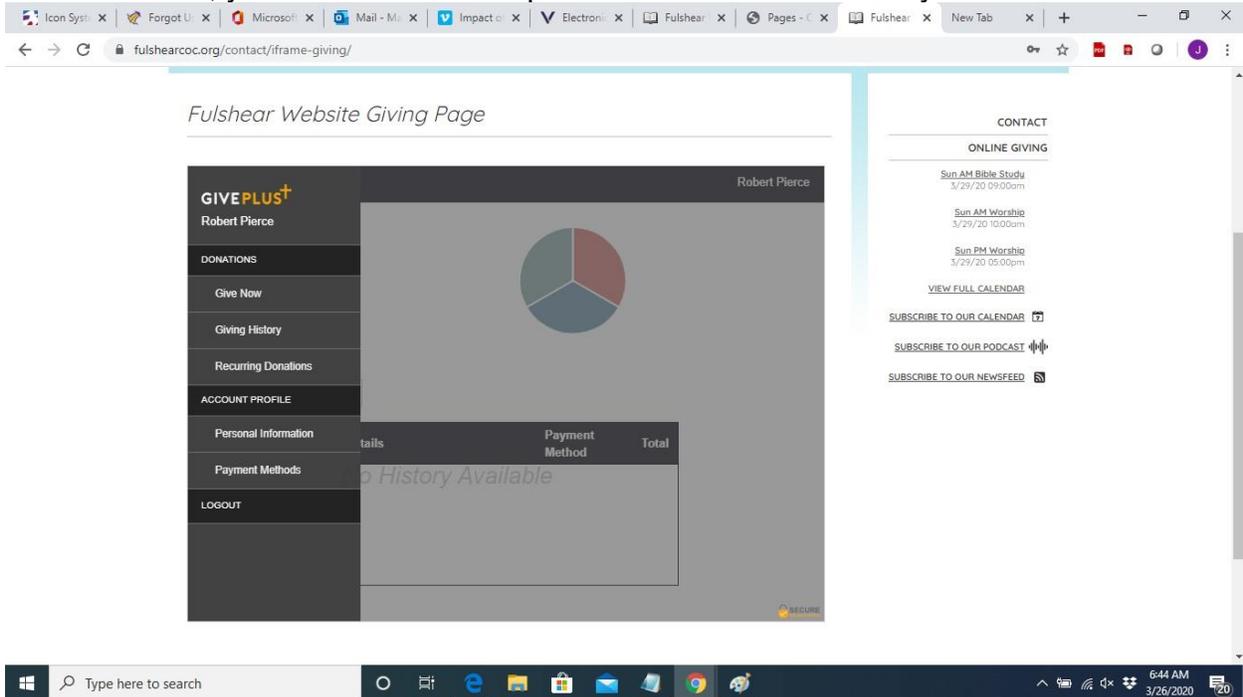

If you pay by credit card, the charge may come through more quickly.

Note, the fees that the church pays are significantly higher on credit card payments versus the charges for paying from your checking account.

There are other options available while you are logged in. See options on screen below (the next page). You get to these options by clicking on the upper LEFT hand corner which is circled in YELLOW.

Once selected, you have additional options on the LEFT hand of your screen.

Hope this helps guide you through.
