THANK YOU

Thank you, church family, for all of the love and support you have offered during the loss of Uncle Loren. We often forget how short our time here on earth is until life is taken away from us. We can't tell you how appreciative we are for this church. We thank you for the texts, phone calls, and the food that was provided to us.

Remember...

Over a week ago now, we celebrated (if you can even call it that) the 19th anniversary of the September 11th terrorist attacks on our nation. If you were alive and old enough to remember it, you'll never forget where you were and what you were doing when you heard the news. I remember in the months afterward, the promises we all made to each other never to forget the event. We attempted to remind ourselves through bumper stickers, T-shirts, hats, TV commercials, news spots, and other ways of commemorating the tragedy. We repeated slogans: Never forget. Proud to be an American. Let's Roll. United We Stand.

Remember those? You don't see them much anymore do you?

The sad reality is, one day, there won't be anymore people alive who remember that day. Time marches on, and even tragedies such as 9/11 fade into memory, and the only way they live on is through the stories passed down and footage of the event (the same thing is happening right now with Pearl Harbor, by the way). We are a forgetful people, one that quickly moves on even after a national tragedy.

We need reminders. What we do every Sunday is a reminder. We worship so we don't forget who made us. We take communion so we remember who sacrificed to free us. We read Scripture so we don't forget to practice holiness and walk with the Lord. We remind ourselves.

I hope you understand the value of our coming together. It's so we remember, because we are forgetful.
